64th Annual Meeting

Our annual meeting was held May 15th, 2018 at the Animal Rescue League. Your TCCU Board of Directors was sworn in and members enjoyed a light supper from Smokey D's BBQ. Many members went home a little richer after winning one of several cash prizes given away.

Thank you to everyone who joined us for TCCU's 64th Annual Meeting. We look forward to seeing you next year!

Leaving Town?

Are you leaving town for that much deserved vacation?

Before you go...

1. Let us know your travel plans to prevent inconvenient travel holds that disrupt your debit card or credit card use.
2. Don't have a TCCU credit card? APPLY now. Credit cards are an excellent tool for travel and fraud prevention. They also give more flexibility to funding your vacation. The best part... our credit cards have a LOW FIXED RATE. We don't know of any other fixed rate credit card out there.

Tickets are now available for entrance at Adventureland and Adventure Bay any day during the 2018 season! The discounted price is \$38.00 per ticket. Stop in and get yours today!

SAVE MONEY WITH THESE 9 TRAVEL BUDGET TIPS

1. CHOOSE A REASONABLE PRICED HOTEL ROOM

Research your location—how close will it be to what you want to see or do?

2. GET THE BEST PRICE FOR AIRLINE TICKETS

Buy your airline tickets in advance. It's been said that booking on a Monday or Tuesday provides the best price from the airlines.

3. BOOKING A CRUISE?

Making your reservations six months to a year in advance usually means getting the best price.

4. KNOW THE RESORT FEES

Know what IS included and what IS NOT included during your stay.

5. PUBLIC TRANSPORTATION IS YOUR FRIEND

Researching the routes and prices of the public transportation systems can save you tons of time and money compared with renting,

gassing up, and parking a car.

6. LOOK FOR PACKAGE DEALS

Keep your eye out for those packaged deals with airline companies and hotels. You might just save yourself a good chunk of money.

7. PACK LIKE A PRO

Don't procrastinate! Only pack the essentials. Try rolling your clothes instead of folding them.

8. TRAVEL INSURANCE

If you're purchasing travel insurance, make sure you understand the policy. Consider paying the small premium for it if you think there's a chance you'll need to cancel your trip.

9. TRAVEL FRIENDLY WITH CREDIT CARD

Credit cards are a great tool to use when traveling and have more flexibility in funding expenses while on vacation.
